

JACKSON HERALD.

REPUBLICAN IN POLITICS.

B. F. LUSK, PUBLISHER.

Entered at the postoffice at Jackson, Mo., as second-class matter September 4, 1897. Terms for the Herald are as follows: For one year, \$1.00; six months, .50; three months, .30.

Office: 142
Residence: 142

JACKSON, MO., DEC. 19, 1901.

This paper is on file at the office of The Chicago Inter-Ocean, 106-108-110 East Monroe street, Chicago, where our readers will be courteously greeted who may care to call upon The Inter-Ocean for a tour of inspection and sight-seeing through its magnificent building, in which can be found every mechanical and scientific improvement of the age in connection with the needs of a great newspaper. It is a rare treat to any one interested in the subject and should be taken advantage of.

The state teachers' association meets at Kansas City December 26 to 28 inclusive. State Superintendent Carrington urges all teachers to attend.

SOME of our leading republicans desire to let the people have something to say in all elections. The best way to hear from the most people is by primaries.

YESTERDAY, the following appointments were made at Washington: Judge Gallenkamp was appointed surveyor of the court, and Chas. F. Wenker collector of the revenue. Wonder if Hitchcock will resign?

Attention, Tax-payers.

The undersigned collector of the revenue of Cape Girardeau county, Missouri, will meet the tax-payers of said county for the purpose of receiving the taxes for the year 1901, at the following times and places:

From December 3, 1901, to January 1, 1902, at my office in Jackson.

Notice is hereby given that all those who fail to pay at the times and places as above may expect to have their property seized, levied upon and sold for the payment of the same with costs. Back Tax Books will not be taken with me; those desiring to pay the same will find the books at my office in Jackson.

E. W. FLENTGE,
Collector of Cape Girardeau County.

County Correspondence.

CRUMP.

December 9.—We are having some winter down here of late. Wendel Seiler has been contemplating selling his farm and putting up a flouring mill at Whitewater. This would give the town a boom.

Since our last writing Lee Rhodes has moved to Cousinville. Willie Stroder, who has been at Morehouse for several months, is expected home before Xmas.

Wheat is in a backward condition owing to damage by worms.

Frank Surface will soon start his saw mill on Crooked creek, near Mr. Morgan's.

Xmas will soon be here. It will be dull here. Stir something up, boys, and have a general good time.

CLOPPETER.

December 9.—We think Oriole is getting a little on the back-ground.

Dr. McKee wound up his little ball and left for Illinois.

Rev. Cunningham finished up his term and moved west.

Mr. Nall, the blacksmith, pulled his freight to Swinton, Mo.

So you see that Oriole is without a doctor and a blacksmith.

The people have to go to Egypt for a doctor, and there is a great deal of sickness at present. Chas. Young, Clarence Edward and Mrs. Statham all have fever and Dr. Hempstead, of Egypt, is treating them.

Andrew McLard, who is confined to his bed, is lingering along. He seems to get no better.

Miss Ophelia Young fell off a horse and broke her arm. Dr. Hempstead dressed it, and it is getting along alright.

Born, to John Noland and wife, on the 6th, a girl.

V. M. Trickey raised eight hundred bushels of corn this year. Bert Armstrong one thousand. Walter Sams seven hundred fifty, and James Noland one thousand one hundred. A whole lot of other fellows did just as well, but we don't know the amount. The vicinity of Oriole is the corn belt this year.

The Indian creek school is progressing nicely under the management of Miss Cook. Also the Iowa school is doing well under the management of Miss Chappel.

IT'S ME.

GORDONVILLE.
December 16.—Rain, snow, ice and more snow. Fine weather for weddings, sleigh riding, hunting and shooting matches, but it means death for the few quails that are left.

Mr. Windish, of the Cape, was here Monday. He brought out the counter and fixtures for the new saloon.

Some of the boys want to enter in the rabbit hunt for the provident association, but they can not find a captain. Why don't you elect Morley? He will serve and make a good one. He knows how to shoot.

Chris Gross has moved into his new house and was given a serenade the first night by the Gordonville glee club. They rendered some good music.

"Barkis" wish for cheap coal oil has come to pass. We have plenty of water now. The good Lord knows when and where to let it rain.

Mrs. John Sebastian slipped and fell on the ice Saturday morning and broke her arm.

We have Jackson carpenters here at work. They report work dull there. That shows what a progressive town Gordonville is.

George Rodemeyer is having a saloon built on Seimers' park, where you can get your holiday drinks hot or cold.

Chas. Hartman had his right hand tore off by the accidental discharge of his gun while out hunting a few days ago. It was dressed by Dr. Hays and is doing well.

Skating is all the go now. It is wonderful how independent some folks are. If they can't stand up they can sit down and without being asked, too.

CAL WIGS.

MILLERVILLE.

December 17.—Old grim winter of the severest type is on us, having struck here about Friday night last, but I suppose that it is common at your place.

The Grocer
who neither sands his sugar nor waters his milk—who believes in the best, and is particular to please his patrons.
That's the grocer who recommends and sells
Lion Coffee
Coffee that is coffee—un-glazed—unadulterated.

Chickens are freezing and dumb-brutes generally are suffering from the severe change. Wheat is also likely to be somewhat damaged.

Hog killing is the order of the day. The writer helped John F. Tucker kill some nine months past last week which tipped the beams at 277 and 300 pounds respectively. Who can beat these pigs?

The ice man of our town is preparing for an ice harvest if the weather continues a few days as it is at present.

Our school will close Friday evening, December 20, for the holidays. We have an excellent school under the supervision of W. H. Hays, principal, and Mrs. Maude Snider, assistant.

Will close by saying that there will be big ball at the old Grange hall at Millerville on Tuesday night, December 24, to which everybody is cordially invited and requested to bring some one with them.

Additional Local.

J. S. Kirby and wife of Neelys Landing were in Jackson last Saturday soliciting subscriptions for the New Methodist church at Oak Hill. They secured enough from our citizens to paint the church. Mr. Kirby and his estimable wife are thorough Methodists and are filled with the holy spirit. If the entire membership at Oak Hill were like Brother Kirby and wife the church at that place would certainly show forth its good works. Mr. Kirby tells us that Rev. A. P. Saffold just closed a glorious revival at Oak Hill and the church has taken on new life.

Skates at Meier Bros'.

The wise young man will kill two birds with one stone by making the engagement ring the Xmas present; and the wise young woman will commend his economy. No such pretty selection of engagement rings elsewhere in town as we are showing at Hasslinger's Jewelry Store.

FOUND — Sunday, near the Methodist church, a pair of gold rimmed spectacles. Owner can have them by calling at this office and paying for this notice.

Rena Leeper, daughter of Grandy Leeper, aged about 26 years, died of consumption yesterday morning at her home 1 mile east of Fruitland.

Remember, you get a chance on that \$65 music box at Grant & Elbrecht's for each \$1 worth you buy during December.

Our "Most Liberal Offer," found elsewhere in this paper, will not last always, so don't fail to take advantage of it if you want full value for your money.

J. W. Bryan of Lowder, Ill., writes: "My little boy was very low with pneumonia. Unknown to the doctor we gave him Foley's Honey and Tar. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered." All dealers.

A Most Liberal Offer.

All our former readers should take advantage of the unprecedented clubbing offer we this year make, which includes with this paper The Live Stock Indicator, its special Farmers' Institute Editions and The Poultry Farmer. These three publications are the best of their class and should be in every farm home. To them we add, for local, county and general news, our own paper, and make the price of the four for one year only \$1.25.

Never before was so much superior reading matter offered for so small an amount of money. The three papers named, which we club with our own, are well known throughout the West and commend themselves to the reader's favorable attention upon mere mention. The Live Stock Indicator is the great agricultural and live stock paper of the West and Southwest. The Poultry Farmer is the most practical poultry paper for the farmer, while the Special Farmers' Institute Editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer, as it will hold good for a short time only. Samples of these papers may be examined by calling at this office. This offer applies to all new subscribers and all old ones who pay up all arrears and one year in advance.

DURING THE HOLIDAYS Call on Schaefer. He will sell you goods at right prices. Anything in the Dry Goods line. Especially do we invite your attention to our

Clothing and Shoes.

LOW PRICES alone have no charms for us. Naked cheapness does not tempt us to drop an iota from the established standard. We try to get good goods, and then we must sell them for a reasonable profit, for it is the PROFIT that enables us to stay in business at the old stand.
